COPY DEADLINE Not later than 12 noon on Monday's. Deposit in the Gazette Box at 45 Sunset Blvd.

Meeting of February 18th.
The minutes of the previous meeting of February 11 were adopted.
Office Space: An agreement between the St. Albert Protestant Separate School District and the Town regarding office space was discussed. This agreement was tabled for one week in order to allow the Council to study it further.

Recreation By-Law: This was approved by Council after being presented by Councilor Powell, who drew up the By-Law along with Councillor Skrobot. Council voted unanimously in favour. A copy of this very important By-Law for the citizens of St. Albert will be sent to the Recreation Survey Committee, the School Boards and the Gazette. Councillors Skrobot and Powell were appointed as the two representatives of the Council for the Recreation Board which will be formed in the near future.

Remuneration Petition: A petition was presented to the Council regarding remuneration to the Mayor and Councillors. The petitioners agreed to the payment to the Councillors but not the special payment to the Mayor. This could result in a plebiscite. Council decided to ask the Dept. of Municipal Affairs for further information to clarify the whole situation. (See copy of petition elsewhere in this issue.)

Letter from Gordon Parkes: A letter was received from Mr. Gordon Parkes asking for various documents, motions, etc. Council decided that if Mr. Parkes is willing to pay for these copies he can have them.

Letter from Engineered Homes: A letter was received by Council from Engineered Homes asking for further development in Grandin Park, stages 7 & 8. Councillor Montpetit moved to bring this matter before the Technical Advisory Committee as soon as possible.

Council adjourned the meeting and a 15 minute question period for the press followed.

**IT'S UP
TO YOU !!!**

Is it true that our town has a deficit for 1962 of over \$1,000,000.00? Is it true that the Mayor and Councillors enjoy salaries of up to \$5,000.00 which will cause an increase in our taxes? And is it also true that the Mayor and Council are not in favour of further development for the town of St. Albert? And is it true that one group in our town is favoured more than another? All these and other questions should be brought forward during the Annual Meeting of the town on Monday, February 25th starting at 8 p.m. in the Community Hall. Let as many citizens as possible attend this meeting to show everybody that we are still capable of solving our own problems. The future of St. Albert depends on you!

ST. ALBERT LIONS CLUB PLAN KLONDIKE NIGHT

The "Klondike Night" put on last year by the Lions' Club was such a success as a fund raising project, plans are now in effect to repeat.

Friday, February 22nd, the Community Hall should be bursting at the seams when the citizens of St. Albert will have the opportunity to play games with "Phony Money", see "Can Can Dancers" in action, hear "88 Fingers Keyes" on the "Ole Pianee", and in general enjoy themselves as the St. Albert Lions' members attempt to

NEW PLAY PICKED

The St. Albert on Sturgeon Players are soon to begin their spring play for your enjoyment. Play reading is scheduled for Sunday, February 24, from 2:30 to 4 and 8 to 9:30 p.m. in the Community Hall Eleanor Ray is the able director. If unable to attend Sunday's reading, please call Mrs. Ray at 599-7349 to make arrangements for a later reading. Our last meeting, February 12th, saw the beginning of an advanced series in dramatics, with Margaret Henry giving an in-

Piron St. DOWNTOWN

20: The Hon. A. J. Hooke,
Minister of Municipal Affairs,
Municipal Affairs Building,
EDMONTON, Alberta.

PETITION

Dated at the Town of St. Albert this 26th day of January, 1963.

Dear Sir:

We the undersigned proprietary electors of the Town of St. Albert, being of the opinion that the affairs of the Town of St. Albert are being managed in an irregular, improper and improvident manner do earnestly petition you to cause an enquiry to be made as to the management of the affairs of the Town.

More specifically, but not to restrict the generality of the foregoing we request your enquiry into the following:

1. That the affairs of the town are not being conducted openly and that the attitude of the Council is not conducive to citizen participation in Town affairs. At meetings of the Council held on September 14th and September 23rd, 1962, and January 7th, 1963 persons were excluded from the meetings for reasons other than improper conduct.
 2. That the Council has failed to establish an administrative system whereby the executive and administrative duties of the Council can be carried out satisfactorily and efficiently.
 3. That the Council did by resolution #939 appoint a committee comprising of persons other than members of the council, contrary to the provisions of Section 53 of the Town and Village Act, and that this committee has authorized the expenditures of monies without first receiving the approval of council by resolution or by by-law.
 4. That the Council did by resolution #937 appoint a member of the firm of Walker and Newby Ltd. as supervisor of the Town's engineering Department, responsible for the construction of the works undertaken by the Town. Thereby invalidating the principle of independent supervision by Walker and Newby as consulting engineers retained by the Town.
 5. That the Council did by resolution #1082 apply monies that were borrowed for or being held as capital funds towards a current expense.
 6. That the Council did by resolution #1021 authorize the payment of monies borrowed or being held as capital funds for the purchase of land.
 7. That the Council applied the proceeds of a loan obtained by the hypothecation of debentures authorized by by-law #20/62 for purposes other than the purpose for which the debentures were authorized to be issued.
 8. That the Council failed to provide for the payment of School requisitions, both to local school boards and to the Provincial Government under the Foundation Plan.
 9. That the Town as at December 27th, 1962, as recorded in resolution #1160 was unable to meet its financial obligations to the amount of \$674,000.00.
 10. That the Council did by resolution #1161 authorize the payment of remuneration to the Mayor and Councillors for attendance at meetings of the Council and for supervision carried out by the Mayor contrary to the wishes of the electors who petitioned against by-law #23/62 which provided for this payment and which was subsequently rescinded by by-law #27/62.
 11. That the fire station now under construction is being constructed at a location other than that approved by by-law #19/62.
 12. That the Council did by resolution #1041 approve the construction of a temporary water main at a cost of \$5,700.00 and the installation of a temporary sewer service and access road without any provision as to the source of the funds to finance the works so authorized and the recovery, if any of the monies so expended.
 13. That the Council did by resolution #1032 and #1055 allow the construction of residential dwellings on unsubdivided lands contrary to the provisions of the Town and Rural Planning Act.
 14. That the Council authorized that a preliminary plan of subdivision be made of privately owned lands by a firm of consulting engineers, at the expense of the Town without any reported agreement as to the recovery of this cost.
- We are most concerned, that due to the present management of the affairs of our Town, the financial and economic structure of the Town could be in jeopardy and could result in an increased financial burden on the ratepayers and a decrease in the real estate values in their investment in the town.

STATEMENTS FROM SOME COUNCILLORS REGARDING THIS PETITION

DR. STEWART: The petition does nothing but damage to the Town and represents the organized efforts of a small, disaffected, but unduly voluble, group in the community. It cannot be interpreted by any stretch of the imagination as representing a genuine concern for the good administration of the Town. As far as I am concerned the petition is riddled with untruths, half-truths and distortions. The organizers of the petition demonstrate a rather sketchy or deliberately distorted knowledge of local government administration. It should be pointed out that any person signing the petition is liable to be called upon to substantiate any or all of the charges made. There are implications in approximately half of the 14 points raised which reflect greatly on the administration of the Town prior to the present Council assuming office and a formal enquiry may produce some surprising results for some of the petitioners.

B. MONTPELIER: This petition has undoubtedly created suspicions in the minds of the citizens of this community in regards to the methods of operation of this Council. I believe that should such a petition result in a judicial inquiry that the blame for the supposedly inefficient management will fall on the previous administration and not on this council. It is unfortunate but I believe that the organizers of this petition will be the ones to be most hurt by the results of such an enquiry.

JOHN DEBRUIN: The points covered by the petition submitted to Mr. Hooke I believe are answered in the town's reply to the municipal inspectors report. It must be borne in mind by everyone that the present council inherited the finances and commitments from the Board of Administrators and its chief advisor, the previous Secretary Manager. The petitioners should not lose sight of the fact that

the biggest loser is going to be the town as a whole. Any action to be taken on this petition is at the discretion of Mr. Hooke, as the Council has never been officially notified it even exists.

MUNICIPAL INSPECTOR'S REPORT

1. The annual inspection of the Town records was made on December 3 and 4, 1962 and the undersigned wishes to submit the following in that regard.
2. The dates to certify the mailing of the business tax notices were entered in the roll, however, these were not verified by the initials of the Secretary-Treasurer as required by section 370 of the Town and Village Act.
3. The minutes were examined and were found to be very well maintained, however, it was noted that in a few instances the extra pages of the minutes were not initialled by the Mayor. It is pointed out, for information purposes, that it is a Departmental requirement that the Mayor initial those pages of the minutes that do not bear his signature.
4. The minutes indicate that the council held a special meeting on a Sunday. It is pointed out that all the business transacted at this meeting is invalid.
5. It was noted that the 1962 mill rate by-law No. 21-62 had not been signed by the Secretary-Manager. It is recommended that this signature be obtained at once in order to make this by-law valid.
6. The Minutes of the May 14, 1962 meeting indicate that by-law No. 15-62 was passed to authorize the purchase of certain equipment. This by-law, however, had not as yet been prepared, therefore, it is pointed out that section 67 of the Town and Village Act requires that a copy of every by-law passed be placed in the by-law register. In view of the foregoing, it is recommended that this by-law be prepared at the earliest possible opportunity and placed in the by-law register so as to comply with the requirements of said section 67.
7. Upon examination it was noted that the by-law register was only indexed to the end of 1961. It is pointed out that section 67 of the Town and Village Act requires that a proper index be brought up-to-date at the earliest possible opportunity and in future it be kept up-to-date at all times.
8. By-law No. 27/62 was passed to repeal council fees by-law No. 23-62 as a petition was received against by-law No. 23-62. It is the opinion of the undersigned that the council had no authority to repeal by-law No. 23-62 but should have provided for a vote on same as required by section 60 of the Town and Village Act. In this regard it is pointed out that said section 60 states that if a written notice objecting to the by-law is received by the Secretary-Treasurer a vote of the proprietary electors must be taken on the by-law.
9. The records indicate that no resolution was passed to set the date for the 1962 Public Auction as required by section 9 of the Tax Recovery Act. It is pointed out that said section 9 states that this date must be set by the Council.
10. The minutes of the October 9, 1962 meeting indicate that the council agreed to exchange certain land with a ratepayer of the Town. As the Town is in effect selling Town owned land and acquiring privately owned land it is pointed out that section 273 of the Town and Village Act requires that a by-law be passed to authorize the Town to acquire land.
11. The minutes of the July 23, 1962 meeting indicate that five members of the council were appointed to sit on the Court of Revision for the business assessment appeals. The minutes of the Business Assessment Court of Revision Meetings indicate that six members of the council sat at one of the meetings. It is pointed out that section 32 of the Assessment Act, 1960 provides that only the five members of the council who were appointed may act in this capacity.
12. The records indicate that the council authorized the using of a utility lot for the site of a fire hall. It is the opinion of the undersigned that section 298 of the Town and Village Act requires that a by-law be passed and advertised before the property may be used for this purpose.
13. The Town ended 1961 with an operating deficit of over \$22,000.00 and in a very poor position financially. The records examined appear to indicate that no improvement will be made in this position in 1962. In view of the foregoing, it is recommended that the council curtail expenditures during the next few years so as to end each year with a substantial operating surplus. This procedure should be followed until such time as a net cash asset, equivalent to at least 25% of the tax levy, is built up.

With the exception of the foregoing remarks, the office administration was found to be carried out in an up-to-date and satisfactory manner.

REPLY

signed L. L. Gural,
Senior Municipal Inspector

REGARDING MUNICIPAL INSPECTOR'S REPORT February 14th, 1963.

We acknowledge herewith, receipt of the above Report, which was duly presented to Council at its Meeting of February 11th, 1963, and advise as follows of the steps taken by the Council regarding the contents of the said Report. The dates certifying the mailing of the Business Tax Notices have been verified by the initials of the Secretary-Treasurer and the Minutes of the Council Meetings are presently being checked for any pages upon which the Mayor's initials do not appear. The Meeting held on a Sunday was called as a Special Meeting to interview a number of Applicants for the position of Town Manager, and there were no resolutions passed at this Meeting. By-law No. 21/62 has been signed by the Secretary-Manager, Mr. Parkes, and is in order. By-law No. 15/62 has been prepared and forwarded to Mr. Parkes for his signature, and the By-law Register has been indexed up to date, and arrangements made for it to be kept up to date. Referring to the Remuneration By-law No. 23/62, this was published on August 1st, 1962, with the date of expiry for receipt of objections thereto, set at August 21st. Notice of Objection was received on August 14th and was presented to Council at its next Regular Meeting, held on August 27th, 1962. To comply with section 214 (b) of the Town and Village Act, the date of voting should have been

not less than three, nor more than five weeks from the date of the publishing of the By-law (August 1st), such date would have been September 5th. However, to comply with Section 215 of the Act, it is necessary to give 14 clear days' notice of poll, and 14 days from the date of presentation to Council on August 27th, was September 10th. Therefore, there was not sufficient time from August 28th to September 5th to give 14 clear days Notice of Poll as required by Section 215, and yet adhere to the requirements of Section 214 (b), referred to above. The Secretary-Treasurer contacted Mr. Ramsay, Chief Municipal Inspector on the 27th of August and advised him of our inability to comply with the Regulations regarding the holding of a plebiscite. Mr. Ramsay's suggestion was that the whole procedure be repeated. Councillor deBruijn has also been in touch with the Department and had been advised that By-law No. 23/62 should be rescinded. With reference to the date of the Tax Sale, a report was presented to the Board of Administrators on May 14th, 1962, giving the details of the date of the Sale (May 28th, 1962) and the reserve bids. The following Resolution was passed: (762) Kennedy - that approval be given to the reserve bids being placed upon properties for Tax Sale at the estimated replacement value. CARRIED. It was indeed unfortunate that the Resolution did not include the date of the Tax Sale.

Whilst the transaction noted in Paragraph 10 of the Report was under negotiation, the word "exchange" was used in the Minutes. However, when the details were finally agreed upon, the Town acquired the land by By-law No. 1/63 under Section 273 (1) of the Act.

The Court of Revision Meeting was held just prior to a Regular Council Meeting and Councillor Wheatling was in attendance while waiting for the Regular Meeting to commence. We presume that his name was entered on the Minutes of the Court of Revision in error by the recording Secretary. We would point out that Councillor Wheatling did not vote as a member of the Court, nor was he remunerated for his attendance.

A letter has been forwarded to the Senior Municipal Inspector with regard to Local Authorities Board Order No. 691 and the Fire Hall Site.

In regard to Paragraph 13 of the Report, Council expressed surprise on hearing that the Town was in a very poor financial position at the end of 1961. Council was also concerned because the Department did not point this matter out to the Town earlier, when a copy of the 1961 financial statement was forwarded to the Department. With reference to the Inspector's comments regarding the 1962 financial position, we would point out that when the present Council took office in July of 1962, the Budget for the then current year had already been approved by the Local Authorities Board, adopted by the Board of Administrators, and the Mill Rate struck. It was therefore, considered to be quite adequate for the current years financial programme, and as such, the New Council was committed to all the responsibilities which the Budget outlined.

As you, yourself, are well aware, the Town is experiencing a severe financial problem at the present time, but you may rest assured that every effort possible is being made to bring the Town onto a sound financial basis.

In view of the foregoing, Council expressly asked me to request your acknowledgement of the veracity or otherwise of the above comments.

signed W. J. Veness,
Mayor.

PETITION REGARDING REMUNERATION TO MAYOR AND COUNCILLORS 6th February, 1963.

We the undersigned being proprietary electors of the Town of St. Albert do hereby give notice of our objections to By-law #4/63, being a by-law to provide for the payment of an allowance to the mayor and councillors for attending meetings of the council and for the payment to the mayor of monies for days spent in the laying out and inspection of works undertaken by the town.

Although we have no objections to the payment of an allowance to the mayor and councillors for attending meetings, we do object to the payment to the mayor for days spent in the laying out and inspection of works undertaken by the town. However the manner in which the by-law was presented does not permit objections to be made to part of the by-law, we therefore have no alternative than to object to the by-law in total.

LETTER TO THE DEPARTMENT OF MUNICIPAL AFFAIRS REGARDING REMUNERATION 19th February, 1963.

Re: By-Law No. 23/62.

Further to our letter of February 14th, 1963, regarding the Municipal Inspectors Report, and with particular reference to the above By-law.

In the year 1954, By-law No. 1/54 was passed by the Council to provide remuneration to the Mayor and Councillors, pursuant to Section 59 of the Town and Village Act. A copy of this By-law is attached hereto, for your information. According to the Records of the Town, By-law No. 1/54 was never rescinded, and in Council's opinion, all that was necessary to provide remuneration for the present Council, on taking office, was an amendment to the said By-law No. 1/54 to bring same up to date and in accordance with the Town and Village Act, R.S.A. 1955, as amended.

A new By-law, No. 4/63, has been passed by the Council, published and an objection received, however, Council still is of the opinion that this procedure is not required, merely an amendment to By-law No. 1/54 as aforesaid. We would appreciate your very earliest consideration of this matter and clarification as to the Town's position regarding the current By-law.

signed W. J. Veness
Mayor.

ST. ALBERT BRIDGE CLUB

St. Albert Bridge Club held its regular
Sunday night session, with seven and one
half tables in attendance.

Mr. Matear, on behalf of the Club, pre-
sented the Open Pairs Championship Club
Cup to Mr. & Mrs. Netelenbos with our
sincere congratulations.

Twenty-eight boards or hands made a com-
plete night of interesting bridge.

"Tip Offs" for the week:

If the wrong defender leads on the open-
ing lead, out of turn and the declarer,
inadvertently puts his hand on the table
the declarer then becomes the dummy and
his partner plays the hand.

Please not the word inadvertently. It
is improper to put your hand on the table
if you are conscious of the fact that
the wrong defender has made the opening
lead.

If the declarer realizes that the wrong
defender has led "call the director" and
he will correct it by proper application
of the rules.

This rule will be defined in my column
next week.

Winners this week were:

North/South

Mr. & Mrs. Haselgruber	56.25%
Mr. & Mrs. Mead	54.02
Mr. & Mrs. Suter	52.63

East West

Mr. Dupilka/ Mr. Young	60.48%
Mrs. Boulter/ Mrs. Batcheller	56.45
Mrs. Matear/ Mrs. Ahronson	54.66

ST. JOHN'S AMBULANCE JR. FIRST AID COURSE

The Junior St. John's First Aid Course
which has been sponsored by the Boy Scout
and Girl Guides for the past 6 weeks has
just terminated with fifteen candidates
passing successfully. Mr. W. A. Blackie
and Mr. Henry Lamoureux were the testers.
This course teaches bandaging, what to do
in case of an accident, mouth to mouth
resuscitation, artificial respiration, et
etc.

AIR CADETS SEE FILM

On Wednesday, February 13, the St. Albert
Air Cadet Squadron sat down to enjoy a
film that was put on by the instructors.
The film was called "Salute to Flight"
which is the story from the birth of the
airplane up to the present day Jetliners.
There were a few humorous scenes that
brought some laughs.

After the first part of the film a break
was called by F/L A. R. Hart and refresh-
ments were in order. At the end of the
break the Cadets sat down to watch the
second and final part. This part was
found to be most interesting because of
pictures taken during World War II. Also
there were a few scenes of the develop-
ment of the Jet and the Jet engine.
After the film, a couple of marches were
played by the Cadet band and then the
dismissal.

ARCHERY CLUB MEETS

On February 7th, the Archery Club held a
meeting in the Community hall at which
time the By-Laws and Regulations were
read and passed. Target material was
ordered for the next meeting so that
those who already have equipment could
start practicing. Some members ordered
their equipment at the meeting.

LOOK AND GUESS

This week's Look and Guess was a real
toughie. It wasn't a belt, or part of
a crib, a floor polisher, or even the
bars on a bed. No, only Evelyn Perras,
of 35 Sunnyside Crescent was able to see
that it was a table top upside down. A
cheque has been sent to Evelyn. Keep
trying, this may be your lucky day.

FREE ESTIMATES

February 13th was the first actual shoot-
ing practice, and was held in the Commu-
nity Hall basement. Twenty-five members
turned out and those with equipment
shared it with those without. The ex-
perienced archers gave instructions to
the beginners to get them off to a good
start.

It was decided to have the Juniors shoot
from 6 to 8 p.m. and the Seniors from
8 p.m. to closing time. Practices will
be held every Wednesday evening unless
otherwise specified. Remember, anyone
from 12 years up can join.

BOWLING

I was a lot better at sailing last Saturday than I was the Friday when they were taken to the Singapore Straits. They found a large "P" in the water & a small "P" in the water with the two boats in the water and it was not being lifted into a trap, representing last Sunday's work. The program is supported by the Singapore Straits.

That is, a linear transformation T is called a linear isomorphism if it is a linear transformation which is invertible. In other words, T is a linear isomorphism if and only if T^{-1} exists and is a linear transformation. We shall now show that T is a linear isomorphism if and only if T is a linear transformation which is invertible.

1. The first step is to identify the problem. This involves understanding the situation, gathering information, and defining the problem clearly.

2. The second step is to analyze the problem. This involves breaking the problem down into smaller parts, identifying the causes, and determining the scope of the problem.

3. The third step is to develop a solution. This involves brainstorming ideas, evaluating the options, and selecting the best solution.

4. The fourth step is to implement the solution. This involves putting the solution into action, monitoring progress, and making adjustments as needed.

5. The fifth step is to evaluate the results. This involves assessing the effectiveness of the solution, identifying any remaining issues, and determining the next steps.

1. *Journal of the American Medical Association*, 1997; 277: 103-107.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

BASKETBALL ACTION

There will be High School Basketball next Friday, February 22, at 7:30 p.m., in the Vital Grandin gym, with Fort Saskatchewan the visiting teams. We urge you all to attend this game, as Fort Saskatchewan boys team features their 6 ft. 10 in. centre, and this is the same team that was runner-up to the Provincial Champs last year.
